"When my boyfriend comes home and sees my underwear dangling from the kitchen cupboards, he knows I'm waiting for him upstairs, naked, horny and usually with a dildo half way up my pussy while I get myself wet and juicy for him!" grins Roxy. "Once he came home from work with a mate who spotted the undies and thought it was a bit weird. He wanted to go upstairs to see me but he couldn't as the mate had come round to watch the football. In the end I got bored and came down and ended up shagging them both at half time!"

Mess Up Box

My husband loves it when I dress up. His ultimate fantasy was to have a threesome, so I thought I'd tell you about the time it came true.

I arranged a threesome with my friend, for which we dressed up. It was a total surprise for my husband when he came home from work to find me in my French maid's outfit. When

he saw my friend was dressed up as a wench his eyes nearly popped out of his head. We led him upstairs (he was very willing!) to the bedroom.

We undressed him and lay him back on the bed. My friend

got down and started giving him a blow-job – another of his favourites!

He then watched and wanked while my friend and I kissed each other all over. She loves my tits and she was sucking on them while I was rubbing her clit.

In turn we rode my husband. While he was fucking one, he was sucking the other's tits or licking their pussy.

Eventually he could take no more so we both knelt in front of him.

He wanked himself off all over our tits. Then he watched as we licked cum off each other.

We didn't take any photos that night, so I've sent some in from another occasion when my hubby took pictures of my cunt before fucking me there and then.

This was an anniversary present for him, and he's agreed I can have my turn for my birthday – him and another bloke.

So get writing fellas, if you've got what it takes!
Abbie, Northants.

Virgin ride

Ilost my virginity in a very unusual way. I had been brought up very strictly so I had very little chance to meet blokes.

I was still a virgin approaching 19 years of age. I'd managed nothing more than a fingering and a licking. When it came to a poke, my pussy was having none of it.

Anyway, I was out at a local pub with my husband Simon, then my boyfriend. We met my friend Belinda

who was always outrageous and thought Simon boring.

After a couple of drinks I persuaded Simon to go home alone, as I was staying out with Belinda until her dad picked us up.

What a load of bollocks – really we were off to a nightclub. We really let our hair down and got shit faced drinking cocktails.

All sorts of blokes were buying me drinks for a snog and a grope on the dance floor. I somehow lost track

of Belinda and got chucked out after an argument with another girl.

The cold air hit me like a brick in the face and I felt a bit shaky. Three blokes came up to me and asked if I was okay. I told them I needed to sit down.

One of them threw me over his shoulder in a fireman's hold and told me he knew of some steps I could sit on.

My skirt came up

KYLIE, BUCKS

over my red knickers and they all got an eyeful and made a few comments. They sat me on some steps and helped themselves to my fags.

"Let's see what you've got, love!" said one of the blokes, lifting my blouse up over my bra. Another bloke asked me to lift up my skirt, which I did – right up.

"Fucking hell, she's gagging for it, fucking dying for it!" they said. One of them undid one of the

arse to strangers.

The biggest of the blokes pulled his pants down and got his cock out. He put it in my hands and told me to get a feel of what was going to be inside me.

I was having my bare tits rubbed from behind and I was getting fingered. A moment later the cock that had been in my hand was inside me.

It went all the way up me, no problem. I heard cries of "Fuck the slut, she's loving it!" and "Hurry up, fuck her, I want a go!"

What a way for a former convent girl to lose her cherry – fucked, groped and watched by three strangers.

I felt no pain on entry and actually came that first time. When he sent his seed into

my unprotected womb with a grunt of satisfaction, I felt like a real woman.

WHAT A WAY TO LOSE MY CHERRY – FUCKED, GROPED AND WATCHED BY THREE STRANGERS

ties on my red knickers and they fell to the floor.

I was ordered to turn around and show myself off, which I did. I had never felt like such a slut in my life, showing off my cunt and

As I was pulling down my bra and skirt, the others said, "What are you doing? We're all going to have a go!"

I lay back on the top step and they stripped me again.

CONTACT ME

There was no fingering this time, another cock was thrust straight up me with ease.

I loved the different hands all over my body as I was shafted. They called me a fucking slut as the first one finished and I lay with my legs spread waiting for my next fuck.

When the last guy had cum, they threw me my bag and went off saying, "Thanks for the fuck you slut!"

I recently confessed this to Simon. Now we want to recreate the event with Simon watching. I'm up for taking two cocks and being a slut like I was then!

Kylie, Bucks.

Dear Julia

How appropriate to have a great world-beating English star promoting homegrown rugby at the time of this amazing World Cup! I'd love to see Sam in the middle of a scrum of naked guys, filling every hole of hers with thick cock, pumping them dry and then inviting the others to spurt their seed into her. Ed, Grantham.

Hard to swallow

Julia says: Now that's an opening ceremony we would have liked to see! At the time of writing, there was much gnashing of teeth as England had just been narrowly beaten by Wales. Hopefully talisman Sam can pull her finger out and give England the pizzazz to beat Australia by the time you're reading this.

Dear Julia

Talk about an issue bursting with massive boobs! Your issue vol 35 no 10 should have come with a sports bra and girdle to hold them all in! Best of all was your new girl in the centre, Roxanne. Young, plump and ready for plucking, she's the sort of British bird I could spend hours tossing off over. Hope to spend a lot more time with her soon in future mags! Neil, New Malden.

REAL WIFE SEX

Karina, Herts

She may be a teacher, but Karina is still learning about her own sexuality

After leaving uni, I got a job teaching English to foreign students in London. When I joked to one of my colleagues that it might be good for meeting horny blokes, I was told, fairly sternly, that the school's bosses frowned on that sort of thing, even though all the students were adults around the same age as me.

I got the message and resisted temptation – or so I'd thought. Friendships with the students weren't a problem, so when a German girl, Gabriela – Gabi – asked did I fancy coming shopping with her one Saturday, I said yes. Her family was minted and she said she'd pay me at private tuition rates, for helping her practise her conversation skills in real-life situations. But she was such a laugh, I'd have done it for nothing.

She was a bit of an alternative type, so we hit Camden first, and I spent an hour watching her try on clubwear, including a really short leather miniskirt. She loves British slang, so I taught her "pussy peltmet", telling her it wasn't to be used in polite company! But she said she wanted something even sexier, and I soon twigged she meant fetishwear.

I've got a couple of mates into that sort of thing, and got the address of somewhere high-end. Gabi was like a kid in a sweet shop, buying a rubber dress and catsuit, and some little tops

catsuit to a fancy-dress do or gig, although the double zips that let you wear it split-crotch were a clue that it wasn't just for dressing up! Then she walked out in one of her little corset-tops and the skirt – which she soon flipped up to show me the soft leather g-string she'd got to go with it.

She had a killer figure and, while she wasn't the fit-and-knows-it type, she was totally unselfconscious. Then she threw me a little package, saying she'd noticed I hadn't bought anything for myself.

It was this really cute little vibrator, with a bright-red brushed metallic finish. I asked did her dad know what his money was going on. She said as long as she learned good English, he didn't

in PVC and satin, plus a jewelled riding crop. Then we went through to the sex toys section. I braced myself, figuring she'd ask me to help her translate the packaging for the dildos, vibrators and clitoral stimulators, but she seemed to handle it OK on her own!

We got a taxi back to hers – she'd bought champagne and some posh nibbles – and she obviously couldn't wait to try her new clothes on.

It was nice stuff – she could have worn the dress to a cocktail party, and the

care!

I tested out the vibrator the polite way, on the end of my nose, which she thought was hysterical. Then she asked why I didn't try it properly. "OK, we're all girls," I said – another new phrase for her.

"We'd started out drinking the champagne out of glasses, but now we were just swigging it from the bottle, and I was already getting a bit tipsy. I took my jeans off and vibed myself through my knickers, only for Gabi to say "Properly..." and pull her own little

g-string to one side for emphasis.

Her pussy was totally smooth – expensively waxed, I guessed – and she had a vibrator like mine, except it was metallic black. She switched it on and touched it to her clit, hips immediately tensing as the pleasure buzzed through her.

She was shamelessly enjoying herself – and why not? – so I took another slug of champagne then slipped my knickers off and started to have my fun too.

It wasn't a race, in fact we were lost

She thrust her hips upward as she held the vibe firm against her clit

R'S PART!

in frigging ourselves. But I'd sense Gabi looking at me and glance over to catch her eye, then we'd go back to rubbing ourselves, the buzzing and little moans the only sound.

Hers got louder and soon she was lying back on the bed, hips thrusting upwards as she held the vibrator firm against her clit. Seeing her cum like this sent twinges through me, and suddenly I started to orgasm too, toes pointing and back arching as it pulsed through me.

As we lay on the bed, Gabi asked me

had I ever been with another girl. I said apart from a bit of drunken kissing and messing around, no. She grabbed the unopened bottle of champagne and laughed that she could get me drunk if I liked.

I asked her was she going to fuck me with it first. "No," she said, popping the top, then got a big dildo out of her drawer. Not one of the ones she'd bought earlier, but her "favourite", she said.

She obviously liked it a lot, the way she was rubbing it over herself and sucking

on the end of it, taking it deep into her mouth. Then she told me to lie back and let her take care of me. "What about you?" I said, and she showed me another of her purchases – a fat black butt plug. She lubed it up and pushed it inside herself, sighing as it slipped into position. And when she bent over and spread her cheeks to give me a flash, I saw the disc-shaped end of it, that stayed outside her,

APRIL

But Me!

YOU DIRTY
BURGER!

"Who wants burger when you can have steak at home?" goes the old saw, usually said by uxorious yet sex-starved middle-aged men on bar stools. April is the reason you choose burger. Steak is expensive, gets stuck in your teeth and you have to trim off the fat. April is lean, cheap and convenient. She also enjoys being covered in a variety of sauces – from a variety of men.

"Having sex in the hay is never as sexy as you think it's going to be," mulls Sophie Parker. "It's scratchy and smells of horses. I joined the mile high club and wasn't impressed with being doinked in a tiny toilet and a boyfriend once wanted to envelop me in custard and lick it off – that was freezing cold and I ruined my carpet! And someone also feels left out in a threesome. Call me boring, but a good hard fuck in bed always does it for me!"

NO ifs, just Butts

I am a successful young businessman in my late 20s. My type of bird is the usual – blonde hair, blue eyes, nice big tits and a good arse.

Recently, though, I met a fucking gorgeous woman. She is dark-haired and pal-skinned, tall and beautiful. She has a beautiful face and the most amazing eyes.

I won't bore you with how I

flagged down a cab and went back to my place.

As soon as we were through the door we were tearing each other's clothes off. By the time we reached the living room we were both naked.

Well actually, Pattie still had her red stockings and knickers on. She

PATTIE,
LANCS

sexiest pussy I'd ever tasted. She had my cock in her mouth, sucking me off.

Every now and again I'd look through her legs to see what was going on on the video. Then my aching cock told me it was time to fuck her.

"How do you want me?" she asked. I told her I wanted to have her doggy-style, so I peeled her panties

£120

JUST WHEN I THOUGHT IT COULDN'T GET ANY BETTER, SHE ASKED ME TO ARSE-FUCK HER

pulled her, but basically we'd been exchanging flirtatious glances all night and eventually I got her outside and told her I fancied the fuck out of her

We kissed and she squeezed my aching bollocks. Then I told her I wanted to fuck her. We

asked if I had any blue movies. Course I did, so I put one on for her.

As the screen was showing a girl sucking a guy's cock, Pattie put her beautiful firm arse on my face in a 69 position. At first I

just admired her butt.

Then I pulled her knickers to one side to be greeted by the most beautiful pussy I'd ever seen. I went to lick it, but ended up kissing it like a pair of lips.

She moaned her approval, and soon I was sucking, kissing and licking. It was the

off and she got on all fours.

She looked so sexy, just waiting for my cock with her back arched. I positioned myself behind her and raised my cock.

Her pussy was soaking wet

and my cock was as hard as it had ever been. I was inside her immediately and I started pounding away at her firm pink buttocks.

After about half an hour of relentless shagging I had to stop for a breather. I sat back on my heels and Pattie took over, falling back onto my cock and riding me.

The sight of her gorgeous buttocks moving up and down on my glistening dick was incredible.

Just when I thought it couldn't get any better, she slid off me and asked me if I wanted to fuck her in the arse. I said yes, naturally.

She told me to get some olive oil, and in no time I was massaging her back with oil. Then I did her buttocks, her thighs and my cock.

After fingering her arsehole, I pointed my knob at her tiny butt-hole. It looked like a ridiculous proposition – like getting a

CONTACT ME

banana through a buttonhole.

But with her legs high in the air and her feet on my shoulders I pushed hard and slipped inside her arse, which gripped my cock.

I pushed a little bit harder and my cock went all the way inside. I got excited and started to thrust deeply inside her butt.

Her arsehole was so hot that after a few minutes I pulled out and shot my spunk all over her pretty face.

We are now together and very close. Sex is getting better and better, and Pattie has been expressing an interest in having a threesome.

She wants to 'try another cock', as she put it. To be honest, she has so much energy that another guy might be a good idea.

Pattie fucks and fucks and fucks – any blokes out there interested in a threesome?

Danny, Manchester.

ZARA & ALEX

"I said a Pilates class!" Feeling the consequences of all those pints in the park over the last summer, editor Julia intended the team to get into some controlled, endurance-centred exercise. Unfortunately we booked her an extremely uncontrolled food fight with two naked 'n' nuts pirates Alexa and Zara. It was still a pretty full-on session that left all concerned aching, sweating, and swearing to do it again the next week.

Well hung lady

For a bit of fun, I replied to an advert on a contact site for a 'dominant madame' seeking a 'willing female'.

I was trembling when I read the reply. To my surprise it was from a couple not too far away and about the same age as me.

Enclosed were some photographs of a leather-clad woman, complete with thigh-length boots and leather cap.

I plucked up the courage and phoned her up, arranging to meet the following weekend. My husband was to drop me off and pick me up later.

The weekend finally came around after what seemed like an eternity.

We drove to a large house set back in its own grounds.

We were met by a middle-aged man dressed only in a leather pouch. He said his wife Avery was getting ready and would be along later. Then he left and said he'd be back to pick me up later.

I was then led down to dark cellar. My heart was thumping and I was quivering as I was ordered to strip down to my stockings and suspenders.

Then my arms were held aloft using shackles suspended from chains. At this point the man disappeared. Suddenly two women appeared.

They were dressed in skimpy leather and PVC outfits, their nipples ringed and pierced. The smaller woman was wearing crotchless pants and the other one was sporting a large strap-on dildo.

Gently their whips flicked over my defenceless body. I flinched at the noise of the swishing flails. Every so often one blow would be harder, making me cry out.

The smaller woman then sank to her knees and slid three fingers into my now soaking pussy. Then she used her tongue to lap up the juices from my cunt.

**ROSE,
LONDON**

As I climaxed, my knees buckled and I was left hanging from my shackles. Avery then ordered me to stand up, before taking up a position behind me.

I could feel her large tits pressing against my back as she put her arms around me and started to pull and twist my erect nipples.

Avery then ordered me to spread my legs ready for her dildo. With one thrust it was inside me.

I screamed aloud. With each thrust of her hips, the solid dildo went higher and higher inside me towards my fluttering belly.

**HER TITS PRESSED
AGAINST MY BACK AS
SHE TWISTED MY NIPS**

**CONTACT
ME**

The second woman was on her knees, sucking the juices off the dildo between thrusts.

I was crying out again as I came over and over, my legs buckling to leave me hanging

by my wrists once more.

Then just as suddenly as they'd entered, the two women left the room. The man came in again to release me.

Rose, London.

JUG ADDICT!

It's unfair to say the only thing we look for in a woman is a pair of big tits. That would be shallow. They have to be nice and firm as well. Luckily for us Amelia from Warwickshire ticks all the boxes. "Men love my boobs and I love wrapping these titties round a stiff cock!"

REAL WIFE SEX

Karina's story continued from page 19

we were having our first snog mid-fuck. Then again, I'd just expected a shopping trip and a bit of language practice!

She had the vibrator on my pussy and now she was sucking my tits again, I didn't last much longer. I fucked against the dildo feeling her grip tighten on it, then moaned out loud as I came like crazy, my entire body shaking.

When my head stopped spinning, I looked over at Gabi, lying further down

the juices spread out over my tongue as I lapped at her slit. Now and again I'd dip it in deep, but she seemed to like it best when I licked her right on her clit. So I slid the vibrator inside her pussy, and sucked away, feeling the muscles clench around the toy in my hand as I fucked her with it.

"Let me lick you," she said, but I told her to wait, using my finger to jiggle the butt plug inside her. She fought it a bit at first, then realised I was just going to keep on till she came. And, almost as soon as she just relaxed and went with it, I saw a flush go over

was sprinkled with little crystal jewels. Very girlie!

I lay back, legs splayed, and she licked the dildo all over before fucking it into me, penetrating me an inch deeper every time until I was taking the whole length of it. She was crouched on her knees and every movement of her body, each wiggle of her hips, sent a little shudder through her as the plug

I saw a flush go over her body as a massive orgasm ripped through her

stretched her open and stirred a bit inside her.

"You have beautiful tits," she said in her deep, sexy voice, and this was even before she saw them naked. I writhed myself against the thick rubber prick inside me as I got out of my T-shirt and unhooked my bra. Then I felt a little ripple of my own – not quite a cum, but a preview – as she sucked on them, one by one, before moving up for a kiss.

It only just struck me as weird then that

the bed, sucking on the dildo from my cunt and using her vibrator on herself again. She didn't seem to be cumming as hard as I had, more like she was keeping herself on the brink without quite losing control.

I crawled over and moved her hand sideways, taking the vibrator and tasting her off it. Then, nervous but trying not to show it, I licked my first pussy, letting

her body as a massive orgasm ripped through her.

I didn't let up until she said, "No more." But even then, I wrung one more out of her, pulling the butt plug slowly out of her arse and giving her just the lightest tickle on her clit. But when I got hold of the big dildo and looked like I might slip it up her arse or pussy, she said no again – and meant it!

I saw Gabi for almost a year after

that, even moving out of my grotty flatshare to stay at her much nicer place. In return, I gave her loads of extra coaching, and she did really well in the exams she took, but eventually, she had to go back to Germany to take a job.

I'll go to visit her at some point – she tells me her parents want to meet me and thank me for teaching her so well. I'm assuming they mean the English because there's

definitely nothing I could have taught her about fucking and eating pussy! 🍆

NATALIA

One of the finest Escort girls of the last decade, we want to salute Natalia. Mostly with our erect dicks, yes, but also with our spare arms. Pert-nippled, unfathomably exotic and exquisitely erotic, she's spread her influence further than her legs to the extent we have fanmail for her arriving from as far away as the US and Japan. Glad to have you in again, Nat!

Summer shoving

Summer is the best time of year. People are happier and the good weather means lots of outside activities.

There is nothing better than taking yourself out into the country and getting fucked good and proper in the blazing sun. Just thinking about it is making me dripping wet!

Preparation is key – you have to wrap the package before opening it and the removing of the different layers to reveal the final prize is the best and has the pleasing result of a raging hard-on.

Fully dressed and ready we head off to find the perfect country spot. Only with nature in sight can the unwrapping start.

By this time we are both gaggling for it but we like

to take time to record the moment, taking the dirtiest pictures possible.

Imagine the scene – a cock as hard as a branch and a pussy so wet, concentration is difficult. The trick is to tease each other and let the anticipation build.

My dress is of course an easy-access one. If I'm honest my entire wardrobe is. With just one pull of the belt it will reveal a full body with all the delicious treats a man could want. We like the full monty, matching bra with

suspenders and of course seamed stockings with the sluttiest pair of shoes to complete the outfit.

By this stage my nipples are so hard and nearly breaking through my bra in a bid for freedom.

My legs are feeling weak with the anticipation of that throbbing cock I can't take my

eyes off. My mouth is watering in preparation of receiving it deep inside me but it would be

rude not to have a little taste first. With my dress open and my offerings all on display I take control and kneel down ready to take it all in.

I love having my face fucked and I'm not satisfied unless I'm

When a taxi pulled up outside my house in the early hours, I knew it

the door I grabbed her hard nipples through her top and pulled her close for a kiss.

"You've been being a little slut, have you?" I asked her. She told me she had been a very rude girl. My right hand went straight to her crotch.

I squeezed and rubbed her clit and lips with one hand, the other rubbing her big tits and arse. She then proceeded to tell me what she'd been up to that night with two blokes.

She'd been out with her mate Sharon and had met two blokes called Thomas and

them, undid their trousers and pulled their cocks out.

She began to lick their

and now she had two to play with.

cocks and balls and then started to give one of her fantastic blow-jobs. She loves big cocks

and started sticking fingers in her pussy while licking her arsehole. I know for a fact that this drives her wild.

Then James started to fuck

was my gorgeous wife Nikki returning from a night out.

My cock started to harden, wondering if she'd been naughty. As she kissed me she told me she needed her bum smacked, as she'd been a naughty girl.

My cock was really throbbing with anticipation of what was to come next in our bedroom. Once inside

James. They'd given Sharon a lift home because she was too pissed to walk.

Once they'd got Sharon back to her place, Nikki decided the boys deserved a treat. She gave them a sexy surprise – she performed a full striptease.

They started rubbing her tits and arse and fingering her pussy. She then got between

Patience is a gift. Even though all we want to do is fuck like animals in the sun we keep our cool and pace.

I take him to the point just

before cumming and sliding his throbbing cock out of my soaking mouth is almost painful for us both but it is bitter sweet as we both know what comes next.

We can wait no longer and he flips me on my knees and slowly slides his hot rod into my sticky warm cunt.

her from behind while she sucked on Thomas' long cock.

This went on for some time, with them both swapping round and using my wife like a sex toy.

Then they asked her for a sandwich, just like in the porn films. They told her to get on her hands and knees on top of James's cock.

Thomas then applied lots of lube with his fingers, poking into her tight arsehole until it relaxed. He then

squatted over her and fed his cock into her tight ringpiece.

She was really getting fucked now, with the boys using and abusing her. She let them fuck her all they wanted till they both came over her big tits.

Then she sucked them back to hardness and they did it all

over again, but she couldn't take James' cock in her mouth because it was too fat.

What a slut. She finished by masturbating on the floor with her legs around her ears, with Thomas and James standing over her spraying her with spunk.

I could see dry cum all over her as I got my special paddle and the dildos out of the drawer – she had to be punished.

Sonny, Bristol.

I thought I might share with your readers a little of what happened to me one warm sunny afternoon.

I was feeling really dirty so I decided to go upstairs, get out my toys and have a good masturbation session. I have a large mirror on the wall facing the bed.

I was sat on the edge of the bed, legs wide open, tits out with my nipples nice and erect, my favourite dildo sliding in and out of my pussy.

What I hadn't realised was that it was window cleaning day. Sure enough, the window being slightly open, the window cleaner caught me at it.

At this point I was so turned on I couldn't have cared less, and just carried on playing with my pussy and tits. "Want any help with that?" he chanced through the window.

what a dirty cow I was – I didn't even know his name!

Anyway, it was time to feel his cock up my cunt. I bent over, still facing the mirror, and watched as he pushed his cock in and out.

My tits were bouncing up and down and I got pushed right up against the mirror.

head between my legs and was lapping at my juicy cunt. All the time I was watching in the mirror.

"Can you do anything for this, love?" he asked, pulling out his throbbing dick.

I licked up and down the length of his shaft and around his balls before taking it all in my mouth. I was still watching myself and thinking

My window cleaner then turned round and shoved his cock in my mouth again. I could taste my pussy on his pole.

"Here, cop this lot!" he said. Then he started spunking on my face, tits and over the mirror.

I told him he'd need to clean that too!

Carrie, Yorks.
